Experience

Trainee Engineer

Sharda Tech Private Limited

Jan 2024 - Present

As a Trainee Engineer at Sharda Tech Private Limited, I am responsible for working on the FrontEnd development projects. In this role, I have the opportunity to learn and grow in the dynamic field of technology. I collaborate with experienced developers to create user-friendly interfaces and innovative designs that enhance user experience. Through hands-on experience and mentorship, I am gaining valuable skills that will help me contribute meaningfully to the team's projects and continue my professional growth in the ever-evolving world of technology.
